

GYR IT Digital Transformation Journey

Sonata and GYR IT join forces to boost business success. Outdated tech was hindering productivity, but with Sonata's expert help, they found a solution with Google Workspace. The result? Improved efficiency & seamless collaboration.

The challenge

The COVID-19 pandemic presented a new set of challenges for businesses, including the need for robust productivity and collaboration tools to ensure business continuity. For GYR IT, the shift to remote work impacted both internal and external stakeholders, creating a pressing need for a solution.

The solution

In the face of the COVID-19 pandemic, GYR IT needed a solution to keep their business moving forward. This is where Sonata came in. Our team enabled GYR IT to harness the full potential of Google Workspace, including Gmail, Drive, Sheets, Docs, and Calendar.

The results

With Sonata's help, GYR IT broke from traditional work models & saw improved efficiency. Google Workspace apps such as Gmail, Meet, Drive & Office Tools optimized mail archiving & security. Stakeholders collaborated seamlessly with Meet, leading to a boost in productivity. GYR IT now has the tech to succeed in any challenge, with audits in compliance & 2-step verification for added security.

“Sonata was instrumental in helping us adopt the collaborative features of Google Workspace. The team was professional and courteous.....”
