

How Searce Helped GivePanel Cut Costs & Achieve Scalable Growth

Top Google Cloud Partner, Searce boasts expertise in GCP solutions. As a Premier Partner, they offer managed services – designing, implementing & managing your GCP infrastructure (VMs, networking, storage) – for a seamless cloud experience.

The challenge

Budget Strain: Maintaining efficient cloud management was crucial, but cost increases threatened their budget goals. **Scalability Hurdles:** App Engine's limitations were a potential roadblock, hindering growth and potentially causing unnecessary expenses. **Limited Resources:** Balancing cloud wellness with core development was challenging, requiring a managed services partner to free up internal team

The solution

Seamless Google Cloud Migration & Support for GivePanel: Load Balancers & Tech Debt Reduction Improved Performance 24/7 Monitoring Minimized Downtime Proactive Cloud Management: Optimized Performance & User Experience Real-time Alerts in Slack for Immediate Action Going the Extra Mile: Automated Resource Creation Google Maps Platform: Enhanced Customer Experience

The result

Searce boosted GivePanel's business with Google Cloud: 42% cost savings with Cloud Run migration & efficient workflows. 70% faster loading times & uncapped scalability. Cost savings fueled innovation & actionable insights empowered proactive issue resolution. Optimized cloud environment & Google Maps Platform integration reduced costs & streamlined processes.

“ Searce's forward-thinking approach & the proactive nature of their Client Success team transformed our Cloud operations. Leveraging their expertise in Cloud Managed Services, Google Maps Platform, & Cloud Run professional services we've achieved resource efficiency, optimized performance/cost ratio, increased customer satisfaction, and a smoother experience for our engineering team and end users. ”

Jen Beattie, Head of Engineering, GivePanel
